

Recurring Payments and Bills / Stored Payments Checklist

Activating your new Kleberg Bank debit card, will automatically deactivate the old one. We encourage you to use this helpful checklist as a guide to prevent an interruption in any automatically billed payments or stored payments tied to your Kleberg Bank debit card. Please note that this list may not be exhaustive, so you will want to note the Pro Tips below.

- 1:** Review your most recent eStatement in online banking or the mobile app, or the print copy of your mailed bank statement.
- 2:** Take a look at the apps installed on your mobile phone.
