

Better banking at home and on the go

Kleberg Bank is proud to announce that the latest version for our Mobile App will be released on March 10, 2015. It's just another example of continuing the Revolution and our commitment to deliver simplicity with value.

The following enhancements headline this release:

- **Mobile Deposit Integration:** We've taken the best of our current mobile apps and combined them. It's all the functionality you've come to love; now, with only one password.
- **Tablet Optimization:** Our Mobile Banking app was re-written from the ground up to enhance the experience you have on your tablet and to ensure you're quickly connected to your accounts without having to use a web browser.
- **New look and feel:** The new version has been refreshed with vibrant color and easy to use navigation. All you have to do is visit the app store on your smartphone and update your app.

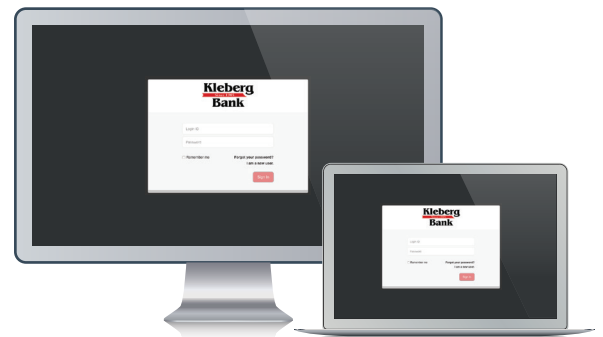

All you have to do is visit the app store on your smartphone and update your app on March 10th.

As powerful as it looks

Also new on March 10th: The latest version of Online Banking will be made available to all users. While using your normal login, you will be prompted to upgrade your service. However, it's optional and you can choose to wait. However, all users will be migrated to the latest version on March 24, 2015.

The following enhancements headline this release:

- **A more intuitive experience:** The single account management experience is intuitive and consistent across all devices.
- **Upgraded Bill Pay:** Staying on top of your bills has never been easier with the new mobile functionality and more intuitive design.
- **Enhanced Business features:** Managing your business finances just got easier with an improved management system for commercial payments.
- **And, much more:** With dozens of additional enhancements, don't miss out on features such as improved transaction search and streamlined mobile funds transfer.
